

# NATIONAL RESEARCH MENTORING NETWORK

## OPEN HOUSE MARCH 14, 2018

### Come and learn more about what NRMN has to offer!

The National Research Mentoring Network (NRMN) supports your advancement at every career stage of research in the biomedical sciences. Experience mentorship and professional development programs designed to hone your practices and deepen your connection to the diverse nationwide scientific community. NRMN's goal is to enhance the diversity of the NIH-funded research workforce.

Kola Okuyemi, MD, MPH, Department Chair for the Department of Family and Preventive Medicine, will introduce NRMN, give a short presentation, and answer any questions. Come, enjoy some pizza, and learn what NRMN has to offer you!

Please visit [nrmnet.net](http://nrmnet.net) for more information regarding NRMN.

*NRMN is funded by the Department of Health and Human Services, National Institutes of Health Common Fund, and managed by the National Institute of General Medical Sciences (NIGMS). You must be a U.S. citizen or permanent resident to participate in programming.*
